Genius Sports Group Ltd | ESOS Action Plan

ESOS action plan sign-off

This document outlines the *ESOS action plan* agreed with you. It will be uploaded to the MESOS portal and ready for your submission following sign-off by a board-level (or equivalent) director. This *ESOS action plan* is a critical component of your compliance strategy and should reflect a comprehensive approach to energy efficiency.

To finalise the *ESOS action plan* process and to allow Inspired PLC to assist in completing our organisation’s notification to the Environment Agency, I acknowledge my understanding and acceptance of the following:

- › I have reviewed and agree the *ESOS action plan* as detailed within this document.
- › The action plan has been produced following a notification of compliance for an ESOS assessment and includes the content required by regulation 34A of the ESOS regulations.
